# BRANDON OGA MUPEMHI

**UI/UX Designer**

*Designing user-centered digital products that lift engagement and satisfaction*

Bulawayo, Zimbabwe | +263 776 382 111 | brandoneemupemhi@gmail.com | LinkedIn

## Summary

UI/UX Designer with 2+ years designing user-centered web and mobile products, delivering 15% higher user engagement and 20% higher satisfaction through research-driven design in Figma and Adobe XD. Skilled in responsive design, usability testing, and cross-functional collaboration from wireframe to launch.

## Professional Experience

**Beedesigned Studio** Bulawayo, Zimbabwe

***Web Developer / UX/UI Designer*** *Sept 2023 to Present*

- Increased user engagement 15% by designing user-centered interfaces for web and mobile digital products in Figma, validated through iterative A/B testing.
- Improved user satisfaction scores 20% by conducting usability testing with 50+ users, applying findings to refine responsive web and mobile app designs.
- Reduced average page load times 30% by developing and maintaining 10+ responsive WordPress websites with close attention to detail across breakpoints and devices.
- Increased project delivery efficiency 10% by collaborating with a cross-functional team of 5 designers and developers to ship cohesive UI/UX solutions across digital products.

***Junior Web Developer / UX/UI Design Intern (promoted to role above)*** *Aug 2022 to Aug 2023*

- Improved user flows and interface intuitiveness across 15+ web and mobile projects by applying user-centered design principles to front-end and UI/UX work.
- Accelerated the design process 25% by producing wireframes, prototypes, and high-fidelity mockups in Figma and Adobe XD, maintaining strict attention to detail for design consistency.
- Delivered 8 client projects on time and within budget by supporting senior developers in building and debugging responsive web applications.
- Ensured optimal user experience across devices and screen sizes by implementing responsive design principles across client digital products.

## Skills

**Core Design Skills:** Figma, Adobe XD, Sketch, User-Centered Design, Responsive Web & Mobile App Design, Wireframing & Prototyping, Usability Testing, Visual Design, Information Architecture, User Research
**Technical:** WordPress, HTML5/CSS3, JavaScript, Git
**Soft Skills:** Collaboration, Communication, Problem-Solving, Critical Thinking, Attention to Detail

## Projects

**E-learning Platform Design**
Led UX design for a student and educator e-learning platform in Figma. Usability testing with real users informed iterative refinements that improved navigation clarity and task completion. Full case study available at the portfolio link above.

## Education

**National University of Science and Technology**
*Bachelor's Degree in Computer Science*, Bulawayo, Zimbabwe
**Graduation year:** *2024*
